

GBC Arctic 1040Wfc

3600230

Product Description

The Arctic 1040Wfc is the coolest of GBC's color finishers. It will protect and enhance a wide variety of inkjet prints that are heat-sensitive and cannot be finished with thermally-activated films. The Arctic 1040Wfc accommodates graphics up to 40" wide using pressure-sensitive films and foam boards.
